Integrated Alum. Flood Lights

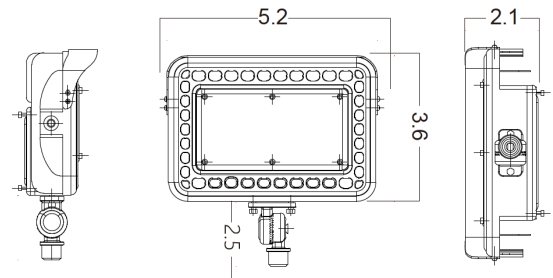

- 12V AC/DC
- Cast aluminum & PC construction
- Bronze powder-coated finish
- Clear lens
- Anti-Moisture Connections
- Powder-coated color options available
- 60" 18AWG wire lead
- IP65 and ETL rated
- 7 year warranty

DESCRIPTION

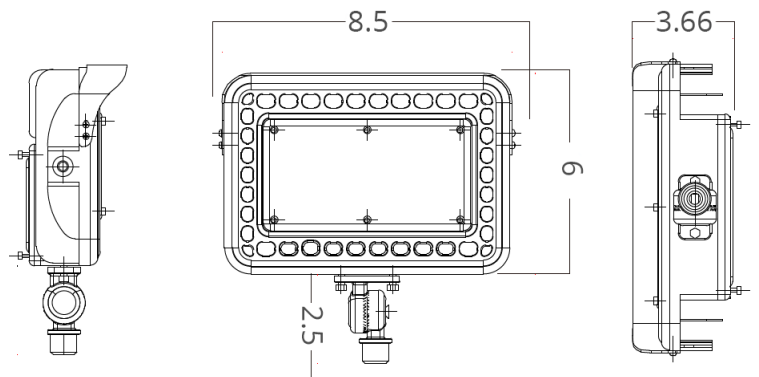

This integrated mini Flood light provides a multi-use design esthetic available in 2700, 3000 and 4000 Kelvin. Available in 7W, 12W, 20W and 40W. This mini flood is great for general purpose lighting such as entry signs, wall washing and more. The aluminum housing powder coated in light bronze gives the same design feel as the brass series of lights. This allows you to mix & match with your design.

DIMENSIONS

7W/12W/20W

40W
